Collabo-ratio forms a radial line graph that connects the three metrics (activity, influence and communication) to form a triangle shaded with the user's assigned colour.

Each property has images, title, price, reviews, preferences it satisfies, and a description that can be toggled on-click.

Elegant Stuyvesant Heights Retreat

House Description

This parlor floor apartment in a historic Brooklyn brownstone provides a sunny breakfast space in which to begin the day, and affords relaxed dining and wind-down at the end of the day in an environment that is elegant, spacious, and warm. Bedrooms are away from the street and very quiet. Excellent restaurants can be found close-by for those who wish to eat out. The neighborhood is calm and retains
