The Contract starts with a description of the property in question.

Contract Details

This is a rental contract between Amelia Ben Liz for a stay in **New York City** from **Mon Jun 13 2022** to **Wed Aug 10 2022** for the property **Classy Brooklyn Studio**. Below you can see the details of this contract:

Monetary Contributions

Team members can choose how much they are willing to contribute to the property's rent.

House Rules

Liz gets the living room every Friday night for the activity of their choice (i.e. party, group yoga, etc.)

Amelia needs to organize a taco night for the whole room

Ben needs to take the trash out

House Rules allow users to define the rights and obligations of every team member during their stay on the property.

💡 You are contributing so much to your team 💪; get your fair do's: [Create House Rule](#) "@Liz is forever excluded from cleaning the apartment."

+ Create House Rule

A contract can be signed by a team member at any time. The search session ends when all team members sign one contract.
